

Chairman Kevin J. Martin
Federal Communications Commission
445 12th Street, SW
Washington, DC 20554

Dear Mr. Martin:

I am the Fundraising Chair for a 501©(3) animal rescue organization called Paws In The City in Dallas, Texas.

Paws In The City is very grateful to KMKV Movin 107.5. They have graciously donated airtime to promote the Young & The Restless luncheon which will benefit Paws In The City. They conducted interviews with three of the stars of the show and spoke about Paws In the City. We are very grateful.

KMKV 107.5 really cares about the community and is helping to make Dallas a better place with their civic contributions to organizations like Paws in the City.

We truly appreciate their support and look forward to working with them in the future!

Sincerely,

Becky Haisma

Dear Mr. Kevin J. Martin:

On behalf of the Dallas Independent School District, Human Development Department, thank you for sending us a "Van Hit" from your radio station. We chose your station because it appeals to a diverse audience mirroring many of employees here in the district.

The "Van Hit" was one of the highlights of the event. The music got everyone excited and drew many more employees to attend the event. The radio personalities were friendly, fun and easy to work with. Our employees enjoyed meeting them.

Thank you for the supporting our "Walk A Mile" Event. Without your contribution, the event could not have been a success.

We appreciate you.

Sincerely,

Diedrae Bell-Hunter

RE: KMKV, MOViN 107.5

May 29, 2008

Dear Chairman Martin,

Being a non-profit organization, March of Dimes has a strict policy – we will not spend money on advertising – we rely solely on the generosity of our media partners to publicize our events and to educate the general public on our mission. KMKV, MOViN 107.5 has been instrumental in doing just that.

KMKV, MOViN 107.5 has been a media sponsor for our signature fundraiser, March for Babies the past two years. Not only do they air our PSAs but they continually go above and beyond by doing the following:

- Sending promotional crews to March for Babies: these promotional crews add a level of “hoopla” and credibility to the event. Our participants expect to see our media partners at March for Babies.
- Posting the March of Dimes logo, along with a link to our fundraising page on KMKV, MOViN 107.5's website (www.movin1075fm.com) for a period of four weeks.

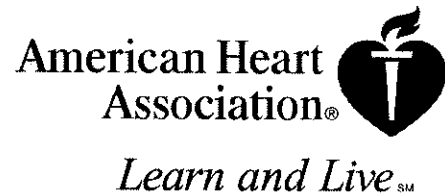

Over the past two years alone KMKV, MOViN 107.5 has provided over \$34,000 worth of publicity to March of Dimes March for Babies.

We are extremely grateful to KMKV, MOViN 107.5 for their dedication to the community and to our organization. We rely on them to help make all our events successful. We thank them for their service to March of Dimes and to the community at large.

Sincerely,

Johanna Buck
Communications Coordinator
March of Dimes, Texas Chapter

Re: KRLD

Mr. Martin

This letter is in reference to KRLD in Dallas/Fort Worth and their support of the American Heart Association.

KRLD has given us tremendous support over the last year with the initiatives that we have in Dallas/Fort Worth. KRLD has supported us via public service announcements, website announcements and their email blasts. KRLD has made a commitment to be our partner in onsite events as well. They have supported our Go Red For Women and Start! Heart Walk campaigns in both the Dallas and Fort Worth markets. The American Heart Association classifies these as two separate markets/events. They have supported the Fort Worth Heart and Soul Gala. They have also made the commitment to help promote Power to End Stroke.

The commitment and resources that KRLD provides to the American Heart Association is invaluable. They continue to be one of our best and most reliable media partnerships in the market place. We value and appreciate their support in the fight against Heart Disease!

Please let me know if you need any additional information.

Sincerely,

Tammy McKinney

Washington, DC 20554

It was a pleasure to work with Matthew Stack, Director of Marketing and Promotions. He coordinated our ads with the stations that their audience would benefit from our event. KRLD 1080 has such a following in this area and it was evident that the advertising paid off because they got word out that we were still having our event despite the weather.

Thanks so much to them for braving the weather (freak snowstorm on Mar. 6) to come out and support Great Taste. I am sure it was not easy getting everyone and everything there, set up, and breaking down. The Women's Division of the Grapevine Chamber of Commerce greatly appreciates all you did to make Great Taste a success. In spite of the weather, there was estimated about 500+ who attended. Thank you again on behalf of the kids we help with school supplies in August, the senior citizens that we help out at Christmas with commodities, Christmas wish items and gift cards (usually to WalMart), and the seniors who enjoy a free dinner and dance at SeniorFest in September.

It has been a pleasure to work with Matthew for many years now. Our hope is to continue for many more.

Thank you for above and beyond help this year.

Giving Young Americans a Second Chance

Chairman Kevin J. Martin,

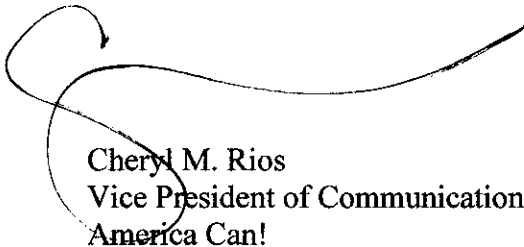

KRLD has been an excellent partner in helping the kids at the Can! Academies. Yes I have paid advertising, but they go above and beyond to help our kids and for that we are grateful.

KRLD helps the kids at Dallas Can! receive a second chance at an education through consistently proven sponsorship and extremely effective advertising.

Through their continued sponsorship during the annual golf tournament, premium on-air talent representation, on-air promotions and website advertisements, KRLD continues to play a major role in giving at-risk youth in Dallas a second chance at an education and at life.

The people that comprise the KRLD team never cease to contribute new and exciting opportunities to help our kids. With their admirable amount of civic spirit, these individuals help our kids continue to grow while showing them they are special in all of our eyes.

Sincerely,

Cheryl M. Rios

Dear Mr. Martin:

I am writing to you on behalf of KRLD, 1080 located here in Dallas, Texas. Thanks to KRLD we have had the tremendous opportunity to bring awareness to the Dallas Community regarding HIV/AIDS. Their continued support of AIDS Arms LifeWalk, the annual AIDS Walk of Dallas, has helped us to raise over 7 million dollars in the fight against AIDS.

KRLD has donated over \$55,000. in advertising and support to LifeWalk. This support has included on-air PSAs, website support and on-site support at pre-LifeWalk events throughout the metroplex area. KRLD has also distributed our brochures and posters at their own events. They have greatly extended our reach into the metroplex area.

AIDS Arms believes the HIV/AIDS epidemic can be stopped. We do make a positive difference in the lives of thousands the epidemic has already touched, as well as preventing the infection of others. We also know we cannot accomplish our mission alone. It is imperative we always look for opportunities to work with others in creative ways. KRLD's LifeWalk Sponsorship provides us another vital avenue of securing needed unrestricted funding. Our partnership with KRLD continues to help us in the fight against AIDS.

Kindest regards,

Margaret Byrne
Director of Resource Development

Chairman Kevin J. Martin
Federal Communications Commission
445 12th Street, SW
Washington, DC 20554

Dear Chairman Martin:

KVIL, 103.7 Lite FM recently participated in Richardson Regional Medical Center's fifth annual WildRide Against Cancer. This bike rally attracts cyclists from all across North Texas and raises more than \$100,000 each year for our cancer center. KVIL helped support the event by creating and broadcasting a public service announcement. They also promoted the event on the KVIL website, and the radio station's Street Team was on-site the day of the ride. We thank them for their participation and outstanding commitment to community service.

Sincerely,

Jennifer Baylis
Public Relations Coordinator

May 28, 2008

To Angie Summers,

The City of Allen would like to recognize 103.7 for your outstanding contributions to the Eggscellent Family Adventure. Your willingness to create and schedule a "kid friendly zone" with emphasis on creating fun family memories is an outstanding example of the terms "understanding your target audience" and "giving back to the community". "The high energy, excitement, personalities and activities of your staff really added an extra dimension to a wholesome, child-oriented extravaganza. This year's attendance spiked to a record level, due to 103.7's partnership with the City of Allen and both parties' understanding of the proper mixture of ingredients to showcase a successful event. The Parks and Recreation Department of the City of Allen would recommend CBS radio and particularly 103.7 as the perfect partner for anyone who is looking to receive patron compliments and questions about the next vehicle where they might find a similar experience.

Washington, DC 20554

Dear Chairman Martin,

On behalf of CBS Radio stations KWLI-FM 92.5 The Wolf and KIMN-FM Mix 100, I am writing to inform you of these Denver radio stations' participation in the 2007 Light The Night Walks hosted by and benefiting The Leukemia & Lymphoma Society.

In addition to promoting this community fundraiser on air, these radio stations actually provided on-site support at four Colorado Light The Night Walks. Thanks to the publicity generously provided by these key media sponsors, the Light The Night Walks participation and fundraising grew by approximately 30 percent in 2007.

We look forward to working with the Denver CBS Radio stations again in 2008.

Please feel free to contact me at 303.984.2110 or joni.hart@lls.org with any questions.

Sincerely,

Washington, DC 20554

Dear Chairman Martin:

I want to commend radio stations KIMN-FM, KWLI-FM and KXKL-FM for their exemplary community service in hosting the Feed The Children radio food drive in February.

Through their efforts, more than 12,000 families in the Denver area were able to receive food and personal care items. The station's promotional efforts and on-air appeals also encouraged more than 500 listeners to participate in helping provide the items to their less fortunate neighbors.

In my 30 years of involvement with broadcast stations across the country, I have rarely encountered such a high level of participation and enthusiasm from an entire staff. The employees and management of these three stations should be proud of the effort put forth to enhance their community.

Sincerely,

Tony Sellars
Director of Communications

Dear Sir or Madam,,

The Retired and Senior Volunteer Program (RSVP) of Catholic Social Services of Wayne County provides challenging and meaningful volunteer opportunities for older adults 55 years of age and older. Volunteers come from all walks of life and are diverse in their talents and education. RSVs work in hospitals and nursing homes; tutor adults and children; deliver meals to shut-ins; assist in disaster relief and emergency preparedness; collect socks for homeless shelters, etc. Our program reaches out to a huge variety of community needs and assists more than 140 non-profit agencies throughout Wayne County. There are over 1,000 RSVP volunteers serving Wayne County. These volunteers provide more than 200,000 hours of volunteer service annually. They receive no remuneration for their services.

Each year, the accomplishments of these dedicated volunteers are applauded and celebrated at our Annual Recognition Luncheon held in September. The spotlight is on our volunteers who are honored for milestone anniversaries, volunteer hours and outstanding contributions to the communities throughout Wayne County. Ron Tavernit, Public Affairs and Public Services Director at WOMC, 104.3 has become an important part of our RSVP family. Ron takes time from his busy schedule to emcee this annual event which boasts more than 800 attendees. His presence and words of "congratulations" have a tremendous impact on our volunteers and certainly puts our program in the public spotlight.

In addition, WOMC continues to support our program in the community through public affairs programming. Ron is the host of the WOMC "Metro Magazine" program where we are proud to say, RSVP has had the pleasure of guest spot interviews which promote volunteerism and the impact it has in our communities.

RSVP of Wayne County is one of the larger RSVPs in Michigan, and we are honored and appreciative of the support we receive from WOMC 104.3 FM. On a personal note, Ron T. is indeed RSVP's favorite emcee.

Sincerely,

Uneil Smith, Director
Retired and Senior Volunteer Program
of Catholic Social Services of Wayne County

FR: Terri Closs
Survivor Recruitment Chair. Romeo Area Relay For Life (American Cancer Society)
Support Care Coordinator, Macomb Family Services

Re: 104.3 WOMC

Dear Chairman Martin,

I would like to share with you a story of wonderful community support from one of our area's many radio stations. WOMC, specifically, Ron Tavernit, its Public Affairs and Service Director, has never turned a request down when asked to provide a lending hand (or in this case, his beautiful, melodic voice) at one of our many fundraising events. Just this past weekend, Ron graciously provided the opening speech at our 2008 American Cancer Society's Relay For Life Survivor Ceremony. In the past, he has also consented to emcee two fundraising events for Macomb Family Services - a non-profit organization serving Macomb County.

The Committee for Relay For Life and the staff and management of Macomb Family Services have appreciated all that WOMC has shown us individually in support. Their commitment to the community has been phenomenal. I just wanted you to know.

Sincerely,

Terri Closs

BARBARA ANN
KARMANOS

Wayne State University

May 21, 2008

Chairman Kevin J. Martin
Federal Communications Commission
4451 12th Street SW
Washington, D.C. 20554

Dear Chairman Martin:

I am writing to you to make you aware of just how valuable a partner Oldies 104.3, WOMC is to the Barbara Ann Karmanos Cancer Institute. As Vice President of Development for the Barbara Ann Karmanos Cancer Institute, I work very closely with our friends at WOMC. Over the years we have worked together to raise more than a million dollars in support of the programs at my Institution. Over this same period of time the station has also shared our message to the millions of listeners that tune in to WOMC each and every day.

The Barbara Ann Karmanos Cancer Institute is committed to a future free of cancer. The Institute is one of 39 National Cancer Institute-designated comprehensive cancer centers in the United States. We care for more than 6,000 new patients annually and are currently conducting more than 700 cancer-specific scientific investigation programs and clinical trials. This simply would not be possible without the support of community members like WOMC.

WOMC has been, and continues to be, an incredible partner and friend to the Karmanos Cancer Institute. Through various events, including golf outings, comedy shows, car cruises and much more, WOMC has demonstrated a strong commitment to our community's well-being. It would be a real tragedy if WOMC were to be limited in their ability to support my organization and the many others they so tirelessly assist and promote.

Again I wish to reiterate, Oldies 104.3, WOMC, has been a tremendous friend and supporter to the Karmanos Cancer Institute and we look forward to a continued partnership in our shared mission to bring cancer under control.

Sincerely,

Nick Karmanos
Vice President, Development.

Dear Mr. Martin:

Recording For The Blind & Dyslexic (**RFB&D**) is a nonprofit organization whose volunteers record textbooks for students with reading disabilities.

For many years, WOMC has been a good media partner to the RFB&D studio located in Troy, Michigan. The station has continually provided us with:

- 1) Public Service Announcements to create awareness of our service for individuals with learning, visual and learning disabilities.
- 2) Public Service Announcements for volunteer recruitment.
- 3) Publicity our fund-raising events and well as providing on-air personalities at our events to help create community awareness of our service.

We consider WOMC 104.3FM a supporter of RFB&D and our educational program serving students with reading challenges.

Sincerely,

Carla Reeb
Executive Director

RFB&D...“unlocking” textbooks for hundreds of thousands of students across the nation.

MUNICIPAL OFFICES

Mary Ann Zielinski
Mayor

Nancy L. Bourgeois
City Manager-Clerk

May 27, 2008

To Whom It May Concern:

WOMC has always been helpful to the City of Center Line when asked to publicize community events. As usual, when asked, the event has been placed in your public service announcement rotation which has helped promote it throughout the community within your listening area.

For instance, just recently an announcement for the city's 9th Annual Blood Drive to be held on June 5, 2008 was forwarded to WOMC and it was immediately placed into the public service announcement rotation. Since, it has drawn numerous additional blood donors.

This type of assistance is invaluable and something that local municipalities can no longer afford to provide due to the costs expended for the blood drive itself and other similar events.

The City of Center Line wishes to thank WOMC for the assistance provided for these types of community events in the past and hopefully in the future.

Dear Mr. Martin:

I would like to take this opportunity to acknowledge the support and commitment of Ron Tavernit of WOMC-FM to our organization. The Futures Foundation is the fundraising arm of the Macomb-Oakland Regional Center. MORC is the largest non-profit in the state of Michigan and the largest community placement agency in the world. MORC has provided services and supports to over 4,500 people with disabilities for the last 37 years. The Foundation has been active in raising funds to provide financial support to MORC and people with disabilities. Money raised is to provide resources for new or expanded programs and to help families cope with the overwhelming demands of caring for their children with disabilities.

Ron Tavernit has been hugely involved with our organization from running the public service announcements that inform our community of our mission to volunteering his free time to help with our fundraising events and emceeding such events. His allegiance and support was deservedly honored at last years Annual Dinner with our Chairman's Award for all his hard work, time and energy.

On behalf of MORC and The Futures Foundation and all the people supported by and benefiting from our efforts, we applaud Ron for his continued efforts and commitment to our organization.

Sincerely,

Colleen Lombardo

Dear Mr. Martin:

On behalf of the Board of Directors of the Community Foundation of Troy, I would like to express our gratitude for the help WOMC 104.3 FM radio has given the Foundation for the past seven years.

We are confident that our annual "Summer Nights" fundraiser would not have been as successful as it has been without the help of the station management and Ron Tavernit in particular.

Ron has been our Master of Ceremonies for the past seven years and has donated his valuable time representing WOMC radio at our event. We have also been featured many times on his "Metro Magazine" show and have had the benefit of many public service announcements over the years. Each year, WOMC had also donated a "Dick Purtan" show visit which is a very popular silent auction item.

The thousands of dollars that have been raised with the help of Ron Tavernit and management of WOMC radio has helped countless non-profit organizations in Troy and surrounding communities. WOMC FM radio exemplifies the title of "Community Partner" that all corporate citizens should strive to attain.

Regards,

Tom Kaszubski

Chairman Kevin J. Martin
Federal Communications Commission
445 12th Street, SW
Washington, D.C. 20554

Dear Mr. Martin,

I wanted to make you aware of the job the WVMV Detroit is doing for local organizations like ours in the community. They freely give of their air time and personnel's time to help make a difference for non-profits and other community organizations in Metro Detroit.

Your station's commitment to the community and organizations that serve it is admirable.

Thank you.

Very truly yours,

William P. Walsh, MSW
Executive Director
